RE: Request for refund—10/694,204

Dear Ms. Denison:

Your request of September 30, 2004 addressed to the Office of Finance of the United States Patent and Trademark for a refund of charges for the above identified assignment recordation has been forwarded to the Office of Public Records.

This document was received May 26, 2004 (twice) and again on May 27, 2004 they were recorded May 26 and May 27, 2004 in the Office of Public Records. The payment of \$40.00 for each was paid by deposit account and the Notice of Recordation was mailed on June 1, 2004 for all three. The document is recorded at Reel/Frame Numbers 014673/0034, 014673/0064 and 014674/0300.

Your request for refund is denied, as this Office does not grant requests for refunds based upon erroneous filing. The document submitted was found acceptable and was recorded accordingly. Further, this Office does not have the authority to remove a recorded document from the public record unless directed to do so by higher authority.

Review of a decision by the Office of Public Records refusing or dismissing a request for a refund must be by way of a petition setting forth with particularity why a refund is due (see 37 CFR 1.181(b)). Such a petition must be signed by a person registered to practice before the PTO, or by the patentee or registrant or applicant.

If you should have any further questions about this matter, please do not hesitate to contact me at (703) 308-9743 ext. 103.

Sincerely,

Linda E. Smith
